Vol. 79 No. 40 Wednesday, October 6, 1971 10¢

FROM TIME TO TIME we fill this column with the darndest things.

And that's not our own analysis of the situation. Some of our friends (?) have told us that in no uncertain terms.

We are inclined to agree with their sentiments.

Take as f'instance, a "big deal" that occured this past week.

We renewed our driver's license.

We are well aware of the law that specifies that one's license, driver's, that is, expires on one's birthday.

But since the time we overlooked that birthday a bit and scooted in about a week late, we have tried to keep a jump ahead of the people who control these sort of things, namely those who are employed by the state department of motor vehicles and put you through your paces, so to speak.

We learned some time ago that one does not have to wait for one's natal day.

You can go in and perform your act starting six months ahead of one's birthday.

So we did just that last week.

-0-

YOU WILL BE HAPPY TO know that for another four years we have made the grade.

Or to put it another way.

Despite what our little wife, Dorothy, may indicate from time to time, as far as the state is concerned, our driving ability is unquestioned.

And we have improved since the time we were exposed to the same situation four years ago; that is, if the written test in any criterion.

We have assumed on a general basis that we know most of the answers about the traffic laws, etc.

So four years ago we rushed through the procedure checking the answers on the sheet while we stood in line in order to save time.

We almost flunked.

One more miss and we would have had this state guy sitting beside us checking things out while we were driving.

And, according to what we have ascertained, not too subtly from our wife for more years than we care to enumerate, that would never do.

But then our Dorothy can drive from every position in the car, including that key spot behind the steering wheel.

What we were trying to tell you, however, is that last week we only missed one out of 36 questions.

For us that's a record.

We thought we had 'em all right.

But it seems there is a difference of opinion between the state and your editor as to what "YIELD" means.

We won't go into that.

Ye gods, that could open up a whole new field of discussion.

-0-

REALLY, WE DIDN'T mean to carry on like this over such a minor activity as renewing one's driver's license.

Yet there are some sociological problems involved in merely filling out the form.

We want to be accurate, don't you?

Over the years, for example, we have recognized that we are predominately brunette.

Years ago our description probably showed that our hair was black.

Then we described it as brown (brn.) as the years went by.

Four years ago we wrote "brown" (brn.) without a second thought.

But last week we gave considerable thought to that point.

There just wasn't enough space to write "dappled gray."

And then we weren't sure that dear old motor vehicle department had such a color

FORMER SUPERINTENDENT SEEKS REDRESS

Royer asks $2-million in damages

Litigation names three school board members

First steps in a double-pronged legal action (1) against the Campbell Union (elementary) School District and (2) against three individual trustees, Dr. Richard MacQuiddy, Mrs. Eleanor Graham-Armstrong and Ralph Steinberg, involving more than $2 million, were taken this week by Neal Royer, deposed superintendent, through his legal counsel, Austen Warburton.

Royer, whose four-year contract as superintendent would not expire until June 30, 1973, was demoted to principal a year ago this month, but continued to draw his full salary. However, on June 30 this year, the district stopped paying Royer's salary.

Royer is now employed by the Atascadero school system in San Luis Obispo County.

Warburton said that one of the legal actions that has been instituted is a claim for damages for breach of contract against the school district for $575,000.

The claim lists the loss of salary and benefits at $75,000 and injury to Royer's professional standing and reputation; diminished earning power and difficulty in obtaining professional employment at $500,000.

Warburton explained that the claim was submitted to Mrs. Eleanor Graham-Armstrong, board clerk, on Sept. 26.

The Board is expected to act on the claim at a board meeting and if no effort is made by the board to compromise to avoid litigation, Warburton indicated that the suit by Royer which was filed against the district on Jan. 11, 1971 for reinstatement, will be modified to include the amount of damages being asked.

Warburton said that at the same time the claim for damages was submitted to Mrs. Graham-Armstrong, the district was officially notified that a suit for $1,075,000 in damages for defamation of character would be filed against three individual board members, Mrs. Graham-Armstrong, Dr. Richard MacQuiddy and Ralph Steinberg.

On Oct. 8, 1970, the three trustees voted to demote Royer, an action that created an unprecedented turmoil in the district.

Warburton said that the notification to the district of the pending suit was a procedure outlined in the government code when legal action was contemplated against such officials.

The charges against the three board members include libel, conspiracy and intentional interference with the contractual relationship of the superintendent.

General damages are listed at $500,000; special damages at $75,000 and exemplary and punitive damages for $500,000 plus costs of the suit incurred and for such other and further relief as the court may deem just and proper.

TERMS EXPIRE

Terms of five members (all girls) of the eight-member Youth Advisory Commission are expiring, City Manager Bob Stephens has submitted to the City Council as an agenda item for the Council meeting next Tuesday, October 12.

To date only one of the gals, Debbie Giesler, has requested reappointment.

The others, whose terms are expiring, are Connie Morgan, Becky Campos, Melodie Lansford and Moira Leyva.

School district outlines rules for free lunches

Free meals will continue to be furnished needy children during the current school year, according to Jim D'Avis, acting superintendent.

D'Avis has notified all parents in the district that the program will be continued and has listed the levels of eligibility.

Those eligible include: Children from families (parent or parents and minor children) with one (child living alone) with gross monthly income of $204 or less; family of two, $268; family of three, $331; family of four, $394; five, $454; six $512; seven, $564; eight, $616 and more than eight, $48, each additional family member.

According to D'Avis, if a pupil is determined by authorized personnel not to be eligible, the parent or guardian may appeal the decision to the Food Service Supervisor or to the superintendent or business manager. The appeal can be taken to the trustees, if necessary.

D'Avis also pointed out that interested families may apply for free lunches at their school through the school principal. He added that if free lunches were received last year a new application still has to be filed this year.

Commission approves plans for offices

Plans for a savings and loan office building, for a convenience market and for the expansion of a present office building won quick approval of the Planning Commission on Monday night.

California Savings received the blessing of the Commission for a one-story office building at 1980 S. Bascom, across from the PruneYard. The savings and loan firm had received prior approval to move the triplex now existing on the parcel to a site on Michael Drive. The office building will be adjacent to Keith's Tire, but there will be access onto Fewtrell via a lot that was purchased at the rear of Keith's

Plans for the office call for a mission tile roof and brick and stucco exterior to be compatible with the PruneYard architecture.

Approved also were the plans for a "Quick Stop Market" consisting of 2100 square-feet to be located at 923 W. Hamilton Ave. The market is part of the planned development project submitted by W. H. Podell.

Value Realty also got the Commission's approval to expand an existing office at 1374 E. Hamilton Ave. at Manchester.

Approved also by the Planning Commission was the application of Sherrel Kirk for revision of the building use at 60 Dillon Ave. Kirk had prior approval for 4000 square-feet of warehouse space. He received the okay to use 3000 square-feet for warehouse and 1000 for light manufacturing.

A use permit was also approved for Dr. J. F. Font to convert a residence at 106 E. Campbell Ave. into a professional office as a speech and learning center.

The public hearing on the application of J. L. Eichler Associates for a zone change from P-D to R-2-S for property at 540 and 560 W. Latimer was continued until October 18. The 7¼-acre parcel on San Tomas Expressway had been approved for 100 townhouses which the firm finds it cannot build at the present time.

Woman wins in Moreland

A former teacher and the mother of six is the new member of the board of trustees of the Moreland School District as a result of the recent election.

Mrs. Barbara B. Baker, 18811 Cox Ave., Saratoga, polled 703 votes in the September 26 election in which 12 per cent of the district's registered voters cast ballots.

SMOKING BAN

To smoke or not to smoke.

That could be the burning question at the City Council meeting next Tuesday, October 12.

When the rules and regulations were established for the new council chambers on July 9, it was specified that, for a 90-day trial period, there would be no smoking in the hallowed chambers.

The 90-day period will be up by next Tuesday.

AT MEETING NEXT TUESDAY

Eight-story job goes to Council

Meeting next Tuesday, October 12 (Monday is a holiday for city offices), the City Council is scheduled to take up again the request of Central Development Co. for an eight-story commercial-office-apartment building to be located at Hamilton and Llewellyn.

The request is in the form of a zone change to P-D (planned development) for the property with the Council as well as the Planning Commission acting on the matter.

The Planning Commission has twice rejected the request, The original plans were turned down, as well as when they were modified (reducing one story).

The Council next Tuesday, is also expected to act on the matter of purchasing county-owned property that is adjacent to Rincon Park. The one-acre plus parcel has been priced at $30,500 with the federal government, from its open space funds, picking up half the tab.

Another item that will be before the Council will be an ordinance hiking the business license fees in town. City Manager Bob Stephens has worked with a Chamber of Commerce committee in the modification of the business license ordinance.

Stephens noted that no changes are contemplated in the basic procedure of charging a flat fee for various businesses. However, it has been recommended that the fee schedule be upped approximately 15%.

Two contracts for street improvement are scheduled to be awarded next Tuesday by the Council. One of the contracts will be for Local Improvement District No. 21 and the other will be for street maintenance.

The Council is also expected to approve the working drawings for the development of Rincon Park that have been drafted by Ken Aratunian, landscape architect, who made the master plan for the park which has been approved by the Council. The working plans, which will be used as a guideline for any improvement at the park, are expected to cost approximately $16,000.

Kirkwood shows big gain in '70

Kirkwood Plaza Shopping Center, at 1820 W. Campbell Ave., has reported an increase of 22.6% in taxable sales for the year 1970 over that of 1969, according to Ira Kirkorian, owner and builder of the center.

Kirkorian indicated that the increase in sales volume was due to the stressing of quality merchandise and the offering of excellent service to the consumer plus the promotional and advertising program of the center.

Kirkorian also pointed out that 11 new stores have been added and the center now has a complement of 46 stores offering full service to the surrounding residential neighborhoods.

MORE PROGRAMS

Souvenir programs of the city hall dedication are available at the city hall.

Because there was a larger crowd than anticipated at the dedication ceremonies on Saturday, September 25, the supply of programs was exhausted, according to John Ruppel, administrative assistant.

Additional copies have now been printed and can be had for the asking at the city hall.

City residents get free trash pickup this Friday

Residents within the city limits of Campbell will get a free rubbish pickup this Friday, October 8, conducted by the Green Valley Disposal Co.

The pickup this Friday is a service offered twice yearly by Green Valley Disposal as part of the franchise agreement with the city.

A similar service is provided once each spring.

The pickup service this Friday is limited to only those customers who are in good standing with the disposal firm and who reside within the borders of the City of Campbell.

According to the "ground rules" for the semi-annual service, all debris should be placed on the curb in front of residences before 7 a.m. this Friday (Oct. 8). (If no curb, place in front of the house near the sidewalk.)

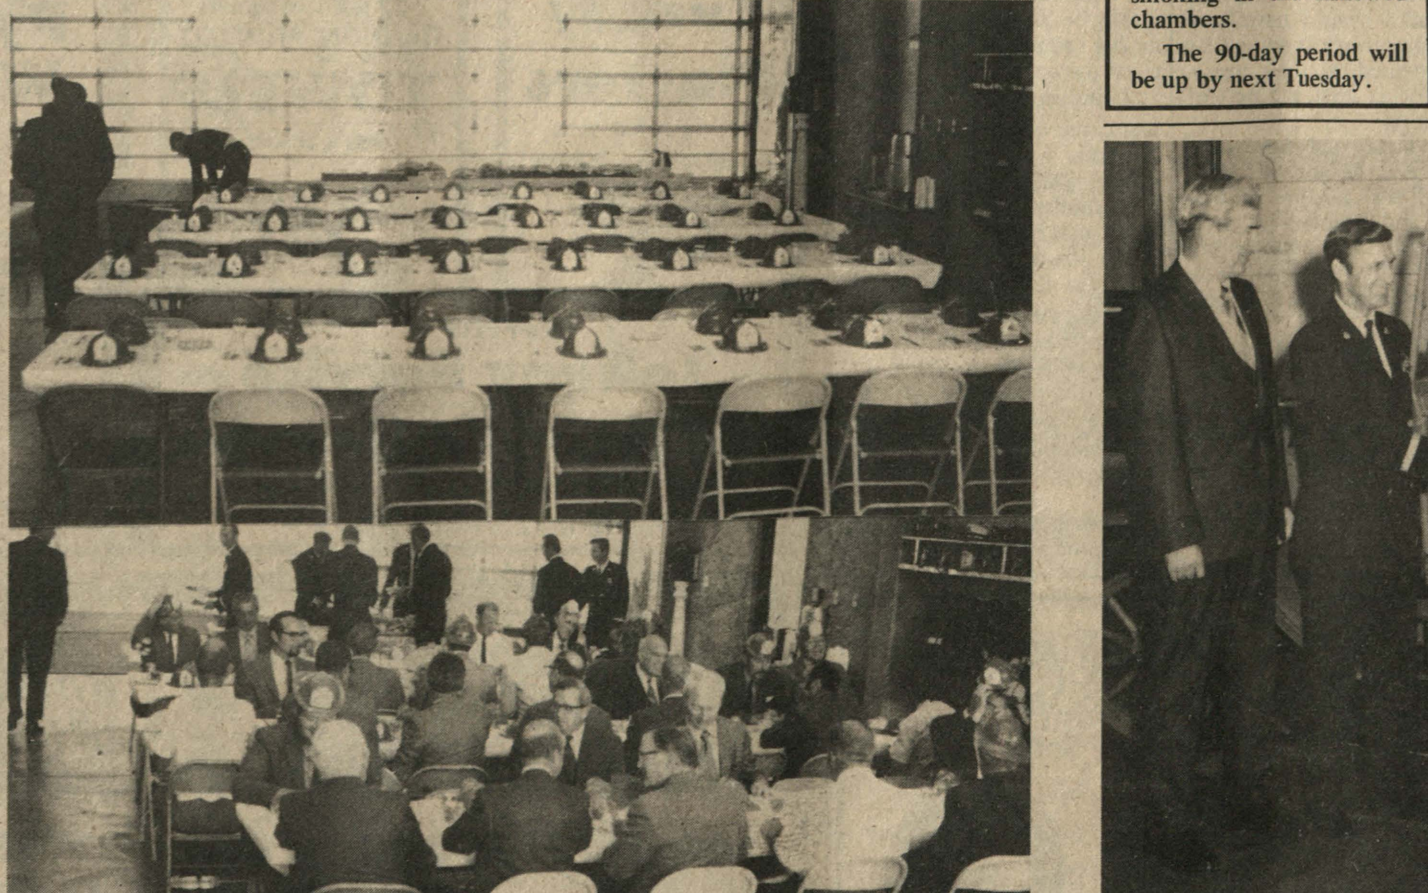
If property has an alley and that is the regular pickup location, the debris should be placed in the same location.

The debris must be placed in boxes, metal containers, or plastic bags tied shut, and light enough for one man to carry. Trimmings must be bundled in four-foot lengths.

The employees of Green Valley will not pick up furniture, appliances, or boxes of rocks or dirt.

It is also pointed out that if removal of old trash cans or garbage containers is desired, they should be so marked.

The semi-annual service is part of the continuous clean-up campaign for the city, spearheaded by the Fire Department to eliminate rubbish and debris that conceivably could be a fire hazard in the home.



CONVERTED ENGINE ROOM—Twice this week the fire engine room at Fire Station No. 2 on Sunnyoaks was converted into a dining hall (as pictured above). To mark Fire Prevention Week, the Campbell Fire Department invited the Rotary Club (Monday) and the Kiwanian Club (Tuesday) to hold their luncheon meetings in the fire house. The top photo shows the tables all ready for the knife and fork wielders and in the lower photo the Rotarians are hard at it.

CONGRATULATIONS—Mayor Ralph Doetsch congratulates Fire Chief George Maxwell at the special Rotary Club on Monday held at the Sunnyoaks Fire Station. The Campbell Fire Department was awarded the grand entry trophy for overall participation in the third annual Marine World "fire prevention celebration" held last weekend in Redwood City.

The presentation of the huge trophy (shown between Doetsch and Maxwell) was made at Marine World but the announcement came as a surprise at the special Rotary meeting held at the station in observance of Fire Prevention Week. On the left is Jack Smrekar, Rotarian, and on the right is Myron Alexander, Rotary president.

Editorial

Reapportionment

Plans for reapportionment of the state legislative districts are now being drafted by both parties of the state legislature.

Obviously the two parties have different ideas on how the reapportionment should be done.

One thing seems to be well established, however. That is that Santa Clara County will have increased representation in the legislature. But we have an idea that there will be quite a tug-of-war before any final plan is adopted.

Both parties will attempt to gerrymander so that there will be so-called safe districts. This, of course, becomes a major problem when there are two parties involved.

We sincerely hope that the reapportionment plan that is finally adopted will not "split" Campbell. At the present time, Campbell is in two assembly districts and part of another. Two senatorial districts also cut through it.

We do not hold too much hope that things will be any better when the boys in Sacramento get through with their tugging and pulling.

However, the plan that has been suggested by the Republicans for the assembly districts does keep most of Campbell within one district (called the 19th). A portion of Campbell (north of Hamilton Ave.), however, would be in the 24th district (now represented by Assemblyman John Vasconcellos.)

Under the GOP plan, the 19th, 22nd and 24th districts would be entirely within Santa Clara County boundaries. The 25th would take in a portion of Alameda County while the 31st would be shared with Santa Cruz County and the 34th with Monterey County.

Thus, under this plan, there would be three seats entirely within the county. Voters in the county would also have a share in three other seats.

The plan that the GOP has submitted has considerable merit. However, it must be stressed that it is not necessarily what the legislature will adopt.

Campbell, Los Gatos, Monte Sereno and Saratoga, under this plan, would become part of the 19th assembly district, which would be newly created. It actually would take in part of Assemblyman Richard Hayden's 22nd district and also part of Assemblyman Alister McAlister's 25th.

Incidentally, the present 19th is a San Francisco district. The seat will be up for grabs in this county, so to speak.

The 22nd, now runs from Palo Alto to Gilroy along the west side of the county, and Assemblyman Hayden is serving his first term as its representative.

It has been pointed out that the district has a surplus of 70,000 people, so the new 22nd would still include Palo Alto but would go no further south than Cupertino. This district centered in the northwest section of the county would include Palo Alto, Los Altos, Los Altos Hills, and portions of Mountain View, Sunnyvale and Cupertino.

Assemblyman Alister McAlister, now representing the 25th, would lose a bulk of the east side of the 24th district of Assemblyman John Vasconcellos, and would pick up the north central portion of the county as well as a portion of Alameda County in Newark and Fremont.

According to the plan, Assemblyman Frank Murphy, who now represents Santa Cruz, San Benito and Merced counties would lose San Benito and Merced, but would retain all of Santa Cruz County plus a chunk of south central San Jose, including the Almaden Valley and Evergreen.

A large section of Santa Clara County, including Gilroy, Morgan Hill, Coyote, San Martin and the Hamilton Mountain Range on the east, would be shifted to the 34th district now represented by Assemblyman Bob Wood of Monterey County.

Rumors have it that the Democrat plan for reapportionment will be far different from that of the Republican.

But so far that is all pure conjecture.

The Democrat-controlled Assembly Election and Reapportionment Committee has been working on a plan for many months. But until the committee releases its report, everything is pure guesswork.

It is understood that the basic reason the Republicans came up with a plan, which is in the form of Assembly Bill 1971, was to get the committee into action.

Republican leaders maintain that AB 1971 combines obvious communities of interest into single districts and that it avoids crossing city and metropolitan lines wherever possible. They also maintain that it significantly increases the political effectiveness of minority communities.

Those are good points to emphasize. It will be interesting to compare the GOP plan with that the Democrats will present shortly.

We have a sneaking hunch that when the Democrats unveil their plan, they will cite even more impressive reasons for drawing their lines on the map.

We wistfully hope, however, that the Democrats and Republicans ultimately decide not to split up Campbell too badly.

So we went for "brown" (brn.) again.

But we are considering sending in an amendment. We really want to be accurate.

"BIG DEAL" YOU GUYS and gals are going to say.

Everybody (every four years or so) renews his or her driver's license.

So what's the big noise?

To begin with, of course, is that fortunately, or unfortunately, depending on how you look at it, you are not editor of a newspaper, or do you have a column that you can fill with such drivel.

And we can.

But aside from that, we have learned that a surprising number of people overlook this birthday expiration bit on their license, despite the fact that, as we pointed out, one's license can be renewed any time from six months prior to the date.

And then there was an added impetus that focused our attention on the fact that this was the year to renew our license.

For that we can thank District Attorney Lou Bergna.

We had occasion some time ago to observe the "D.A." studiously making copious notes.

Lou explained that he was going to take his driver's license test the next day. He was sort of boning up on it.

He added somewhat sheepishly that apparently he would also have to do some actual driving under the watchful eye of the license people.

He further elaborated that some months before when he had passed the half-century mark in age, he had been so concerned over the activities involved with that milestone in his life, that he had overlooked one minor detail. His license had also expired at the same time.

So---if it can happen to the "D.A."!

That's when we looked at the date on our own license.

AN AIR MAIL LETTER was received by our office this week from Oklahoma City. The return address on the envelope indicated that it was from "Rhodes, Hieronymus, Holloway & Wilson," and it was addressed to "The Campbell Express (Newspaper)."

We assumed it was from a law firm because of that impressive list of names.

We were right. The letter was from Russell B. Holloway, an attorney.

We thought you would be interested in its contents.

Here it is in full.

"GENTLEMEN:

"A short time ago I was a visitor in Campbell, and cannot recall when I have been more impressed. It was a City that seemed to have everything, or at least the best of everything.

"The cafe and shops were varied and delightful; and it seemed that a sense of harmony and beauty was never sacrificed to economy or utility. The PruneYard, as an example, serves as it beautifies.

"Where else would the art of senior citizens be hung in a restaurant or cafeteria, with the sales intended to encourage and promote that art? I bought a watercolor in such a "gallery" there done by Nona Hutchinson, a lady now 69, who had never tried to paint anything until a few months ago. What a fine interest to recognize and inspire!

"The watercolor now occupies an honored place on the wall of my law office here, reminding me of unforgettable hours spent in your unforgettable City.

"Count me, then, as a Campbell, California fan!

"Very truly yours,

"Russell B. Holloway."

A colored photo of the office wall on which the picture was displayed was also enclosed.

THAT LETTER, WE FEEL probably deserved a place of honor in the archives of this community, in addition, of course, to being published in this column.

Maybe Jeanette can use it in her time capsule in the clock tower.

It indicates that Campbell has come quite a piece down the pike.

Can you recall any letters of a similar content received in the past?

So thank you, Mr. Holloway, for the sentiments you have expressed in your letter on the "new" Campbell.

We will even overlook the point that you thought the community's newspaper was "The Campbell Express" instead of "The Campbell Press."

The Press does EXPRESS its appreciation to you.

C-M Pony League fields two teams in winter play

Campbell-Moreland's gung-ho Pony League doesn't know when to quit.

The league has two baseball teams currently competing in the newly formed eight-team Santa Clara Valley Winter League.

The traveling league accommodates only those boys who will be returning to the program next summer as 14-year-olds, and all games are played on Saturdays.

Both Campbell teams launched the season, which continues through Dec. 11, with victories. The Campbell Reds whipped Saratoga 4-2 behind the pitching of Jeff Kahn, Brent Norman and Kent Ohmann, and the Campbell Greens routed East San Jose 11-3 with Paul Rhoades' three-run homer pacing a 14-hit attack.

Only major adjustments to regular Pony League rules are that no player can pitch more than three innings in one game, and all games will be played over nine innings rather than the usual seven.

The Rosters:

REDS---Greg Oswald, Steve Esau, Kent Ohmann, Jim Thatcher, Greg Wood, Brent Norman, Jeff Kahn, Mike Alvarez, Kevin and Kelly Linnane, Mike Rodriguez, Vince Darpino, Mark Smith, Greg Johnson, Ernie Watkins, Mike Chiappe and Kevin Christman. Co-managers are Rudy Delgado and Rich Barry. (Barry was elected president of the new league.)

GREENS---Howard Tokunaga, Tim Bowers, Chris Codiroli, Paul Rhoades, Ricky Roth, Randy Acosta, Miley Falke, Mark Chrico, Bill Truan, Dave Jordan, Lank Rowland, Rick Rania, Rick Farabee, Mike Romero, Jim Meduri, Mike Parsons and Dean Jones.

Campbell's varsity Bucs destroyed the Blackford Braves Friday, Oct. 1 on our home field. The Bucs rolled 42 points against a tough Brave defense.

Steve Davis led Campbell with 160 yards on 18 carries for three touchdowns. Kelly Davis and Mike Donecho each followed with 100 yards apiece.

Campbell played a tremendous ground game, commented Steve Garrido, Campbell's first string quarterback. When the final gun sounded the score stood 42-18.

Payne P.T.A. holds tea for new mothers

Something new has been added to the PTA program at George C. Payne Elementary School. On Thursday afternoon, Sept. 30, the PTA board hosted a tea for the mothers who were new to the school to welcome them and to inform them of ways in which they may actively participate in their PTA.

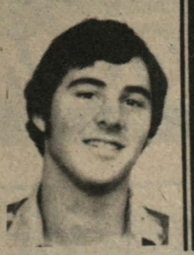
Mrs. William Troupe, hospitality chairman, greeted the new mothers and Mrs. David Trauner, PTA president, introduced Mrs. Anthony DeFrancisco, school secretary and Mrs. Charles Best and Mrs. Charles Roy, both kindergarten teachers.

Some of the board members were also introduced and expressed a desire for help with various projects throughout the year.

Mrs. Michael Brkljacich requested volunteers for ice cream sales at noon time. This is a daily PTA project at Payne and requires the cooperation of many people for its success. Also requesting volunteers were Mrs. David Butler, room mother representative, and Mrs. James Mueller, health and welfare chairman.

Mrs. Richard Lieberman, membership chairman, encouraged everyone to join PTA and discussed how vital and important PTA is.

Cougar Corners



Mrs. Kathy Clifton has taken the Cougars by the "Tales" as she replaced Mrs. Freddy Lee as the new "Cougars Tales" advisor.

Other members for the 71-72 Cougars Tales staff are: Mike Coffaro, managing editor; Bruce Siggins and Bob Benson, first page editors; Sunya Schichting and Patti Fylling, second page editors; Karen Martain and Debbie DeLash, third page editors; Chris Rodgers, exchange editor; Leanne Styron and Bob Holms, sports editors.

JUNIOR

Juniors officially began their magazine sale last Wednesday with a goal of $8,000. Ellis Wendel Fuller will be the advisor and is quite optimistic about the outcome.

As an incentive for each three magazines subscriptions sold, the student may enter a lottery; winners receive Schwinn ten-speed bikes.

Tom Genovese led the Camden Varsity football team to a 22 to 8 romp over Santa Clara in the pre-season game on Friday, Sept. 24 at Santa Clara. The "Baby" Cougars also picked up a 28 to 0 win earlier that evening.

Team members are Bill Slough, Richard Sarsfield, Larry Kondo, Peter Piper, Jim Finnel, Jim Schovanec, Chris Rodgers. Substitutes: Tony Bustemante, Mary Lannon, Jeri Niver, Dave Corum, Kim Rodgers, and Bob Benson.

ST. LUCY'S

YOUTH COUNCIL REPORTS

by Cecilia Barnett

Youth Council Strikes Again! The St. Lucy's Youth Council is really hitting it off this year.

The Council's numerous events going on throughout the year received everyone's cooperation and participation. We hope that future events will be as successful. In order for us to do this we need to inform you of such happenings.

A little while ago, members of the Youth Council went on a bike hike to Calero. They truly enjoyed the fresh air and exercise. Later after the bike trip, the Council put on a dance in Kennelly Hall on the corner of Budd and Winchester.

The night of Oct. 16 will be a big night for everyone in Kennelly Hall. There will be a dance that night and it will run from 7:30 to 11. The great band playing will be, "Captain Trucker."

In November there will be another dance and in December the St. Lucy's Youth Council will be going to Agnew to bring a part of our Christmas to the children. As you can see our calendar is full.

The St. Lucy's Youth Council welcomes you to join us in our activities. Our door is open. Come on in.

Letters to the Editor

TAKES EXCEPTION

Dear Sir:

The first part of "Out on a Limb" of Sept. 29, brought nods of agreement from me. We were a family who desired residence in Campbell (1960) and too late discovered the controversy (Cherry Lane annexation).

When I reached the second part of your column regarding your feelings on the San Jose traffic police "setting up shop" on those four blocks of Campbell Ave. (east-found), MY latent fuse relit!

At least the San Jose police are attempting to control the speed in that sector. Are you aware of the TIMES they begin their surveillance? (It is usually when school is in session and between the hours of 11-1 and in the afternoon.)

What about the 25 MPH speed limit set because of Coventry School? Have you ever had the opportunity to try and cross Campbell Ave. during the day when cars zip by at speeds much in excess of 35 MPH? Well, our neighborhood children have! School is now open!.

The traffic cops are a boon to the parents of kindergarten children who are going to & coming home from school around 11 a.m. to 1 p.m., and to the children who walk home for lunch. Hopefully some of the drivers will take note of the police and show down, at least during those crucial times.

Why don't you ask the crossing guard how it feels to be nearly struck by numerous speeding cars, cement trucks and various other large vehicles as she stands in the center of the road-way, assisting the school children in crossing!

That section of Campbell Ave. has a slight curve that hides the cross-walk from west-bound drivers until they are almost upon it. Why isn't the Campbell force out occasionally during these school hours? They could be stationed in front of the church. Perhaps some west-bound drivers would start slowing down, too!

Your anti-San Jose remarks are many times annoying and appear petty to me, but this time they are down right aggravating. If my memory serves me correctly, I believe this is at least the second year you have expounded on this subject. Why don't you see that your column "finds it's way to the high brass of the Campbell police"?

A Campbellite in all ways but legally.

Darlene Dyer.

Conservation is topic at garden club meeting

LILYAN BRANNON

Speaker for the Wednesday, Oct. 13 meeting of the Campbell Garden Club will be Lilyan Brannon, local environmentalist. Her subject will be, "The 'Serve' in Conservation." The program is at 11 a.m. following the business meeting at 10.

Mrs. B. A. Brigham, president, invites anyone interested in Better Gardening (her theme for the year) to attend. The location of the meeting has been changed from the regular place at the Congregational Church of Campbell to Colonial Savings and Loan hall, 1510 Winchester Blvd.

Mrs. Brannon has served with "Citizens For Parks & Open Spaces" and is founder-chairman of "Leave Our Creeks Alone League" (L.O.-C.A.L.) and the recently incorporated "Friends of Overfelt Gardens."

As an active member of United New Conservationists, Mrs. Brannon is involved in the many challenges that organization seeks to meet. She is also a Sierra Club member.

A workshop in preserving flower arrangements will be conducted by Mrs. Edmund Birr before the close of the meeting. Mr. Birr is a relative newcomer among the flower arranging teachers in this area, but was an instructor for many years in the Chicago area, and is a long-time member of the American Federation of State Garden Clubs. She is first vice-president of Campbell Garden Club.

Those who attend are asked to bring a sandwich. Cookies and hot beverages will be served.

HASTEN helps poor families

Hunger strikes with fear and pain for poor persons in every community, but in Campbell church groups are doing something about it.

The First United Methodist Church of Campbell at 1675 Winchester Blvd. answered an emergency call from a social worker recently.

"We have a family without any funds for food tomorrow. I have exhausted all possible sources of emergency aid and no one can fill this need. Can you?"

Since that time the church organized HASTEN, a service which can provide food for a family of six for four days---on a moment's notice.

The goal of HASTEN is to provide six emergency food boxes on hand at all times each including meats, protein foods, milk, flour, vegetables and cereals.

Food contributions can be brought any Sunday to the food cupboard in the narthex of the fellowship hall. Money donations may be left in the office of the First United Methodist Church.

For further information phone 252-4442.

Other activities of the church include a church conference on Oct. 20, a book fair for the last two Sundays in October, and a bazaar planned for Nov. 19.

ON THE AGENDA

The famous wines of Germany will be spotlighted at "Oktoberfest" the annual fund-raising dinner party of the NEF, Nurses Education Fund, on Oct. 6.

German costumes will be very much in evidence as will posters depicting Germany's many scenic spots. Some lucky guests will receive door prizes from Germany Representatives from the German government as well as many former German residents will attend this Rhineland fling.

Those interested in attending should call 241-5769 as soon as possible.

Rings exchanged by Patricia and Thomas

MRS. THOMAS RAYMOND ABRAHAM

Patricia Ann Straw and Thomas Raymond Abraham were married in a double-ring ceremony performed by Reverend William Gould at the First United Methodist Church of Campbell.

The bride carried a cascading bouquet of white roses and stephanotis.

She wore an elegant gown of chantilly lace and silk organza that featured an empire bodice, lacy long sleeves with bishop cuffs and a wedding ring neckline jeweled with pearls and crystals.

An organza spray detailed with matching lace and seed pearls held her silk illusion veil.

Mrs. Grant Thompson, of Stockton, sister of the bride, served as matron of honor.

Bridesmaids were Mary Nelson of Campbell; Jan Hammond of San Jose; Cathy Abraham, sister of the groom; Judy Heath of Campbell and Carlotta O'Neil of Santa Clara.

The bridesmaids and the matron of honor wore yellow gowns of sheer dacron over taffeta, white Venice lace accenting the raised waistline and the long bishop sleeves. They carried nosegays of yellow carnations.

Patricia, the daughter of Mr. and Mrs. Richard Straw of 1630 Palo Santo Dr., was given in marriage by her father.

Her mother wore a mint green ensemble and carried a corsage of white baby roses, while the bridegroom's mother, Mrs. Robert Abraham, wore a blue ensemble with matching shoes and purse.

Thomas attended Blackford High School and Patricia attended Campbell High School. Both graduated from West Valley College. Thomas plans to attend San Jose State this fall.

Ushers were John Abraham, brother of the groom, Richard Straw, the brother of the bride; Ken Burg of San Francisco; Frank Caprista of San Jose; and Bob Hennig and Frank Palermo of San Jose; while Mike Lombardo of Santa Clara served as best man.

Richard is the son of Mr. and Mrs. Robert C. Abraham of Reseda.

After the afternoon wedding reception in the church hall, Mr. and Mrs. Abraham left for a Monterey honeymoon. They will make their home in Santa Clara.

Craft shop displays senior wares

"Have you been to the Seniors Craft Shop next to the Episcopal Church on Rincon Ave.? It's a non-profit store full of craft items handmade by local senior citizens" remarked a recent visitor to The Campbell Press.

A tour of the white clapboard store, 41 W. Rincon Ave., led by Irma Reese, director of the West Valley Progressive Seniors and Dorothy Elkerton, secretary, revealed everything from a lace over taffeta wedding gown to delicate sets of pastel baby clothes knitted with all the tender care traditional to grandmothers.

Other interesting articles for sale are decorative candles, potted African violets, used clothing, colorful afghans, ponchos, and paintings made by students in the center's art class.

Most of the articles are made by seniors on an 80 percent consignment, but others in the community are welcome to bring in items they have made or no longer have any use for, on the same basis.

Pairs of volunteers from the West Valley Progressive Seniors operate the store, which is open Tuesday through Saturday from 10 a.m. to 4 p.m.

The store, which opened for business May 23, is only a small part of the senior's activities as a tour through the classrooms, kitchen, offices and meeting rooms behind the store disclosed.

The whirl of activities starts on Sunday with a social meeting from 2-4 p.m., with refreshments and music.

A sewing class which makes brightly colored lap robes, and sleep socks for local hospitals is taught by Isabel Klose the first and third Mondays of every month from 10:30 to 2 p.m. A diet class also meets the first and third Mondays at 11:30 p.m., while the therapeutic art classes taught by Frances Kersh meet twice a week at 1 p.m. on Tuesdays and Fridays. Thursday is the day for bingo fans with a games meeting at 1:30 p.m.

The Metropolitan Adult Education holds two classes, "Keeping up with Human Affairs" on Tuesday from 9:30 to 11:30 a.m., and "History and Geography" on Wednesday from 10 to 12 a.m.

Much of the senior center activities are funded by an ESO, Economic Social Opportunity Grant, due to expire in November, given with the understanding that 51 percent of the group have poverty level incomes.

Rented from the St. Lawrence Episcopal Church, the building was remodeled beginning in August last year, with the help of the Rotary Club and the Seabees Mobile Construction Unit.

Kiwanis Club donated a rug and the Self Help group gave the center $5,000 for the purchase of their van.

Many seniors are unaware of their rights and privileges, as one elderly wife of a U.S. serviceman who didn't know she was entitled to a pension.

Because of this the West Valley Progressive Seniors banned together three years ago to provide recreation, information, transportation and financial assistance for our elderly fellow citizens.

DARTING AROUND

with Tom Carroll

The 1971 Winter dart season is underway and it looks as if the South Bay and El Camino Leagues are evenly matched. There were three tied matches of the 11 played in the area. These were: Lancashire Lad III - Banbury Clock II; Black Watch II - Club Gato and Primrose Lanes II - Primrose Lanes III.

The largest win was nine games. This was done by three teams. The nine wins tied the Gaslighter II and Lancashire Lad II for first place in the South Bay League "B" Division. The other 9 - 3 win was by the Lancashire Lad IV, gals team, who not only rolled over the Gaslighter II, but now holds first place in the El Camino League "B" Division. Dona Condon hit a 99-away and Rhonda Heinrichs popped a 104.

In the "A" Divisions, Andy Capp's of Sunnyvale and San Mateo's Prince of Wales I are tied for first in the El Camino League with eight wins each. Lancashire Lad I also won eight games to take the lead in the South Bay League. The Lad's really did some hot shooting for their wins.

Tom Walker got away with a 110. Eric Branthwaite shot the NCDA high out for the week, 115. Don Rhodes backed them up with a 133 and Dave Ingols had a 15 dart game with a 98 out.

The NCDA high score of the season goes to Brian Cox, proprietor of the Two Flags Pub in Novato, who shot a 160. Ten dart players shot 11 - 140's in last Wednesday's NCDA competition. The pair of 140's was shot by Clifton Smith at Red's Pizza Pub in Vallejo. Three area darters who popped 140's were Phil Albers of the Scarlet La Rue's I, Al Elder of the Banbury Clock I and Marv Wernli of Harold's of Redwood. Marv backed his high score with a brace of tons (100's).

BLACK KNIGHT TOURNAMENT

Clay Cowden, manager of the Black Knight Pizza Parlor, 1781 Winchester Blvd., has announced that he will hold a $400 tournament on Nov. 5, 6 & 7. All games will be 301 with double on the double off, best two out of three. A card shuffling system similar to the North American Open will be used to determine opponents in each round. An entry fee of $4 will be charged and all entries must be posted by Oct. 24.

Trophies will be awarded to the first four places with first place receiving $200; second place will get $100; third, $40 and fourth, $20. Those finishing 5th through 8th will each take home $10 with those finishing 9th through 16th getting their entry fee back.

Paul Wagner claims bride

LT. and MRS. PAUL F. WAGNER

During a three weeks leave from the Marine Corps Paul F. Wagner IV married Kathryn Jean Bohlen in a double-ring ceremony at the Grace Lutheran Church, Palo Alto.

Kathryn, daughter of Mr. and Mrs. Edward Bohlen of Belmont, wore her great-grandmother's gold bracelet in the ceremony.

Carrying a bouquet of stephanotis, forget-me-nots, pink roses around a white orchid, the bride made her way to the altar wearing a white organza gown with empire bodice, transparent neckline, bishop-cuffed sleeves, trimmed with lace appliques. An elbow-length veil fell from the matching headpiece.

Mrs. Edward Bohlen, mother of the bride, wore a yellow knit dress with white accessories and a white orchid corsage.

Wearing a gown of blue lace over satin was Pamela Gambetta, the maid of honor.

The bridesmaids, each attired in a similar gown of pink lace over satin, were: Karen Wagner, sister of the bridegroom; Kathryn Lundt, Patricia Sanjiyan, and Sandria Allan. All attendants carried a bouquet of country colonial flowers.

Barbara Yates, also dressed in a pink gown and carrying a bouquet similar to the bridesmaids, was flower girl while Robert D'Emilio was ring bearer for the couple.

Kathryn attended Canada College and Chico State College after graduation from Carlmont High School.

Lt. Paul F. Wagner is a graduate of Campbell High School and West Valley College and also attended Chico State. He is the son of Mr. and Mrs. Paul F. Wagner of 730 N. Harrison St., Campbell.

Wagner, recently commissioned a second lieutenant in the U.S. Marine Corps, is attending Post Commission training in Virginia.

His best man was Charles Edelman and James Clark, Bruce Meyers, James Menconi and Donald Ulen ushered.

Music for the wedding was provided by Stan's Combo, vocalist Dick Thomas, and organist Evelyn Leiske.

The newlyweds left for a honeymoon to Disneyland after a wedding reception in the officer's club at Moffet Field.

The couple plans a future home in Quantico, Virginia.

Ham radio breaks the generation gap

by Barbara Price

Can the average housewife, schoolboy or businessman communicate daily with friends in Morocco, Bolivia, Russia and Israel?

Easily...if that individual is one of the millions of active and enthusiastic amateur radio operators who don a name like WF6RGT and "chew the rag" over worldwide amateur radio bands.

As H. R. Harvey, attorney and president of the West Valley Amateur Radio Association says, "Ham radio is a universal hobby."

According to Harvey the pastime is a happy blend of scientific technology with the lively art of conversation that appeals to introverts and extroverts alike.

Though ham radio has an extensive and versatile range with 1,000 watts of power compared to citizen band radio's five watts, it is named amateur radio because it cannot be used for commercial purposes.

In order to become a ham, each prospective operator must pass an initial licensing test that requires a high degree of Morse code skill and scientific knowledge.

Even so numerous young boys and teenagers are fully licensed hams. In fact many hams say they caught the bug at the age of 10 or 12.

Several parents at a recent ham gathering expressed their gratitude towards ham radio as being a hobby where kids and adults can communicate freely, with "no generation-gap hang-ups."

Perhaps an even more vital facet of ham radio is its function as a public service. In their manual of ham operation, the ARRL, American Radio Relay League states that amateur radio exists because it qualifies as a public service.

Ham operators offer assistance to policemen, firemen, and the public in general. For example, last May, hams patrolled the area of a 40 mile hunger walk in the mountains in case of injury, fainting, or just plain tired legs!

During an emergency like a hurricane, fire or earthquake, amateur radio operations often serve as the only link of communication to a disaster area.

Because of this service, Red Cross offices across the nation supply amateur radio stations complete with emergency power equipment.

Emergency ham operations are not haphazard and frantic, but are planned, rapid and accurate since the National Traffic System was organized by the ARRL in 1949 to cope with emergency problems.

Lloyd Crawford, of 701 Budd Ave., is the past president of the West Valley Amateur Radio Association, and former leader of the sixth region of the National Traffic System, which includes California, Hawaii and Nevada.

Crawford, who estimates that there are at least 3,000 emergency ham operators in this valley alone, stresses the fact that the National Traffic System is a functional training system for emergency purposes. Members train and practice throughout the year so the message will get through in adverse circumstances.

The recent Los Angeles earthquake was a busy time for ham radio, since the hams in this valley alone handled about 3,000 messages from frantic Los Angeles residents, who were unable to make other communications due to badly jammed telephone lines.

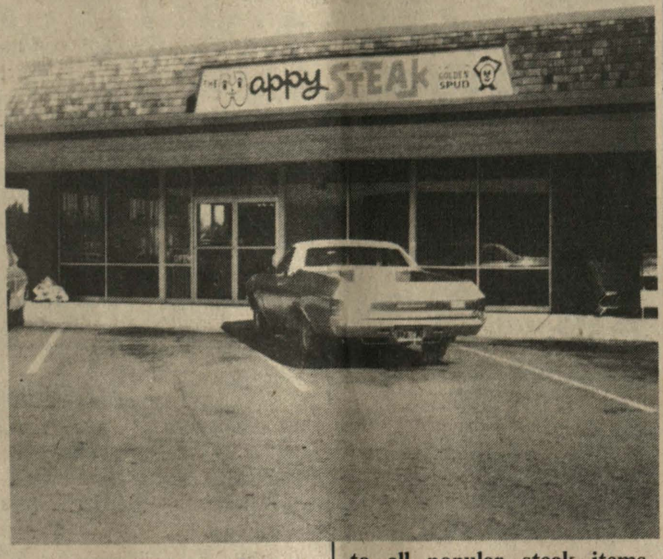
Besides emergency services, another important aspect of amateur radio groups is the training of future hams.

The West Valley Amateur Radio Association meets twice monthly at the Los Gatos Red Cross building and offers classes for those interested in becoming licensed hams.

As ham radio operators everywhere are quick to proclaim, ham radio is a rewarding hobby with plenty of opportunities for excitement and public service. Incidentally, there really is a Rag Chewers Club for the big talkers of the world of ham radio!

For more information about the West Valley Amateur Radio Association, or its affiliated school, please phone 356-4917.

HAM IN OPERATION—H.R. Harvey, president of the West Valley Amateur Radio Association, is one of many "hams" who operate their own receiver. Harvey keeps his 500 watt transceiver at his office and finds his communication with other operators a welcome respite from the business world.



"HAPPY STEAK" COMES TO TOWN!—Shown above is the new "Happy Steak" restaurant in the Riverside Plaza shopping center on Hamilton Ave. This is the 30th restaurant to be opened by the meteoric new restaurant chain started several years ago by H. T. "Chic" Brooks of Fresno.

Started in Fresno, Brooks now claims new outlets in Bakersfield, Modesto, Stockton, Sacramento, Merced, Antioch as well as 15 other northern and central California cities. Originally started as a steak house, the restaurants now feature, in addition to all popular steak items, seafoods and poultry specials.

One of the many unique features of the new restaurant chain is the fact that every steak served is cut and processed in their own meat cutting plant, the "Happy Steak Meat Co." in Fresno. Special refrigerated trucks operate daily out of the meat plant to the 30 member restaurants.

PruneYard opening has beauty contest, prizes, entertainment

COUNTRY WESTERN---The California Cowboys and Denise are one of the many entertainment acts who will perform at the PruneYard during their grand opening festivities Oct. 21 to 25. The quartet includes Steven, Scott and David Preston, who attend eastside high schools and Denise Crump, vocalist and rhythm guitar player. The three brothers organized the group in September of 1968 and added Denis last year. They have won state and local trophies in amateur competition.

The "Miss PruneYard" contest which was announced last week marks the first time in several years that Campbell girls have been asked to participate in a beauty pageant.

Many contests require sponsors and some expense on the part of the participants, but the current contest only asks that the girls submit a picture and a brief resume' of their talents.

The crowning of a queen will culminate on Oct. 24 as part of a five-day festival of Grand Opening events at the PruneYard, landmarked by The Towers, at Bascom and Campbell Avenue.

Festival events will include continuous entertainment from noon to 10 p.m. daily. Main attractions will be in the Gran Plaza, with other events scheduled at different spots around the center.

In addition to the queen contest, the five-day festival will give away a six-day all-expense-paid vacation for two in Puerto Vallarta and Guadalajara via Hughes Air West and Western International Hotels.

Other prizes include color TV sets and cash certificates for purchase of merchandise up to $2,000.

Daily drawings will be made for prizes Oct. 21-25. Winners will not have to be present, but must fill out a coupon and mail it to the PruneYard or deposit it with any PruneYard merchant.

Girls interested in participating in the beauty contest should submit their applications before Oct. 15.

The entertainment will begin at noon on Thursday, Oct. 21, with performances by Justin Tyme Quartet and Jeff Gause, in the Gran Plaza. Jeff Gause, billed as the "fastest gun in the world," will do tricks with Colt 45 guns throughout the five-day celebration.

At 4 p.m., John P. Healy will lead a group of young people performing scores from musical shows.

At five, the California Cowboys will perform, followed by George Barry's Orchestra.

During the Gran Plaza shows, there will be a kiddie circus in the parking lot, helicopter rides, art and auto shows.

ROYAL CANADIAN LEGION
San Jose

PRUNEYARD ACT---The Royal Canadian Legion Pipe Band of San Jose will perform during the Grand Opening celebration at the PruneYard, Oct. 21 to 25. The award winning group continues a tradition of preserving Scottish culture and the art of the bagpipe.

ELECTION RESULTS

The Campbell Little League elected officers recently at the Rosemary Field Clubhouse.

New officers are John Hanrahan, president; Dan Trinidad, vice-president; and Jack Murdick, secretary.

Tony Mimosa was chosen treasurer and Pinky Kroening is the new director.

WHILE AT HOME

Rudyard Kipling, the English author, wrote one of his finest books, "The Jungle Book," a tale of India, while living in Vermont one winter.

Icebergs in the Antartic are tabular or flat surfaced, whereas those of the Arctic are usually mountainous, frequently assuming fanciful shapes.

Dr. Maxwell Maltz, Dr. Saul W. Gellerman, Dr. Harold Leavitt and Mrs. Riva Poor will conduct lectures and discussions during three Saturday mornings and one Wednesday evening session.

The seminar is the first to be given under the college's newly created Center for Supervisory and Management Development.

The seminar is designed for mid-management, top management and personnel representatives.

Stanford psychology professor Dr. Harold Leavitt will get the seminar underway Oct. 9 from 9 to 12 a.m. with a discussion of "Managerial Psychology."

Midnight fire lights up sky

A midnight fire in an older two-story structure at 2035 Winchester, just south of Campbell Ave. last Friday, brought out Campbell Fire fighters and San Jose Fire Department.

The blaze was discovered by Campbell Police and apparently started in an overstuffed chair on the second floor. Fire department officials estimated that the wood building contained about eight apartments, but no injuries were reported.

The flames and smoke lit up the sky and spectators were drawn to the scene, but were detoured onto side streets.

The structure was declared a total loss. Preliminary estimates put the loss at $25,000. The building is owned by Mrs. Charlotte Thompson of San Jose.

Seven-eleven store robbed

A local food store was robbed last Friday afternoon by a man and woman.

According to Jose R. Recinos, clerk-manager of the Seven-Eleven Store at 2223 S. Bascom, the couple entered the store and then separated. Within a few minutes the man approached Recinos and drew a gun.

Recinos gave the contents of his cash register to the woman and the two fled.

OLD TIME SKILL

Ancient Peruvians possessed remarkable surgical skill and had knowledge of several kinds of anesthetics.

Police hold public seminar next Wednesday

The Campbell Police Department will hold a "public relations seminar" on Wednesday, Oct. 13 at 7 p.m. in the police offices, 75 N. Central Avenue.

The seminar has been conducted bi-monthly for the past four years. Over 2500 citizens have participated in the three hour discussion period, which covered topics such as traffic safety, drug problems, emergency procedures, communications and campus disorders.

At the conclusion of the classroom session, participants may sign up to ride in a patrol car for a three-hour shift.

The seminar is limited to the first 50 applicants and may be picked up at the department. For information, call 378-8141.

In 1839, Henry Fitz, Jr., a New York telescope maker, photographed himself and thus is credited with producing the first American portrait.
